A MESSAGE OF UNITY AND LEARNING

In a world that's constantly evolving, education should be a beacon of hope and growth. At Shayona International School, we strive to ignite the spark of curiosity and ambition in our students, guiding them towards a future where they can thrive and lead.

MS. URVASHI PATEL

Trustee, **Shayona International School**

Every child is a representative of human kind. A person's childhood experience determines his behavior as a man. At Shayona we are trying to nurture their childhood at best. Children love to dream. They imagine things & find a peculiar pleasure in such indulgence.

MS. DOLLY PATHAK

Principal, **Shayona International School**
